**Statement of the Ethical Review Board (ERB)
in response to your application (No. 17-11-1)**

Dear Mr. Murlowski,

the ERB has reviewed your research project "Elaboration of an interactive slackline learning system with beginners". According to its regulations, approved by the Department of Computer Science of Saarland University on October 26, 2016, the ERB has come to the following conclusion:

"There are no ethical concerns against the implementation of the research project".

If you have any questions, please let me know. We wish you all the best in your future research endeavours.

Best regards, on behalf of the ERB
